However, I would not recommend volume 3 for a beginner, because its song selection is a little more obscure. For the beginner I would recommend volume 1, simply because the songs are more well-known and will help to build a beginner's jazz vocabulary. Otherwise, a great book. Also, you can't find a better price on The Real Book collection.

At last I have the privilege of making public this third book of Marx's main work, the conclusion of the theoretical part. When I published the second volume, in 1885, I thought that except for a few, certainly very important, sections the third volume would probably offer only technical difficulties. This was indeed the case.

Synopsis Capital. Volume I. Capital, Volume I (1867) is a critical analysis of political economy, meant to reveal the contradictions of the capitalist mode of production, how it was the precursor of the socialist mode of production and of the class struggle rooted in the capitalist social relations of production. The first of three volumes of Das Kapital was published on 14 September 1867 ...

Palla. Pal La. I remember when I first heard that name, not long ago at all. It was at a Tales and Tallows ball at a very fine estate west of Mir Corrup, to which I and my fellow Mages Guild initiates had found ourselves unexpectedly invited. Truth be told, we needn't have been too surprised. There were very few other noble families in Mir Corrup—the region had its halcyon days as a resort ...
